

## Mobile Application Privacy Disclosure

What does AB&T do with your personal information from its mobile application?

<b>Why?</b>	<p>The mobile application requests access to information stored on your device, such as location, camera, photos, contacts, or other features you are enrolled in, to enrich and simplify your own user experience, improve our services, as well as provide additional security to protect your account.</p> <p>It is important for you to understand that:</p> <ul style="list-style-type: none"><li>• Before granting access to this information, you will be prompted to give the application permission</li><li>• If you do not wish to grant that permission, you may decline.</li><li>• If you later change your mind, those permissions can be updated in your device's settings.</li></ul>
<b>What?</b>	<p>Some examples of information your app will request access to are:</p> <ul style="list-style-type: none"><li>• Location – This access can be used to prevent fraudulent activity and to display locations near you when applicable</li><li>• Contacts – This access can be used with certain features that allow you to send money via your mobile app.</li><li>• Camera – This access can be used to capture check images for deposits and take pictures of receipts to be used within your mobile app.</li><li>• Photos – This access can be used for you to send selected images within the mobile app to provide documentation of check images, receipts, and/or other image artifacts to assist with support of your account.</li></ul>
<b>How?</b>	<p>To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.</p> <p>We also restrict access to nonpublic personal information about you to those employees who need to know that information to provide products and/or services to you.</p> <p>The mobile application information is retained in accordance with state and federal record retention laws. Please contact us to determine specific timeframes for your personal stored information and if that information may be deleted.</p>
<b>Questions?</b>	<p>Please contact AB&amp;T at 229.446.6158 regarding questions about the information provided in this Mobile Application Privacy Disclosure. Our full Privacy statement can be located on our website under Privacy and within our Mobile App under Settings, User Agreements, and Privacy Policy.</p>
